Pursuant to your recent conversation with Kristin Kaberry, Patent Paralegal of this office, attached please find a copy of the mail log corresponding to the above entitled application which demonstrates that we did not receive a copy of the Notice to File Missing Parts of Application dated 8/5/98, until we received a faxed copy from you on June 11, 1999 (also attached).

Please note that we have not yet replied to the Notice of Missing Parts due to the lateness of its receipt, and we furthermore believe that we have then erroneously received a Notice of Abandonment dated 6/16/99.

You have communicated to Ms. Kaberry that you will forward this correspondence to the front office for verification, and we respectfully request that a new Notice to File Missing Parts of Application be issued at this time.

Thank you for your assistance with this matter and please do not hesitate to contact me at directly at #(508) 650-3154 should you have any questions relative to the above.

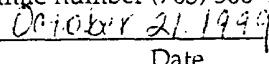

Respectfully Submitted,
